ABOUT ME

I was born with a camera in my hand, since I was a child I needed to transform everything I read into images. I overcame a serious illness and got back into the game. I studied "Direction of Photography" and I had many experiences around Italy. I collaborate with the Infabula Cultural Association for the creation of Short Films, Shows and Events.

EDUCATION AND TRAINING

[08/2024 – 09/2024]

Cinematography Internship

Terre di Cinema 2024

City: Siracusa, Sicily | **Country**: Italy |

I took training courses on cinematography from dp, camera operators and gaffers like **Luciano Tovoli, Vincenzo Condorelli, Daniele Massaccesi, Fabio Policastro**.

I met directors and dp from all over the world who came to shoot short lms, so I was able to learn the English of the set.

I was a camera trainee and I helped sparks and grips on 8 short films shot with **ARRI ARRIFLEX 235 - Super 35mm and ARRI SR3 - Super 16mm**.

[07/2024 – 08/2024]

Lighting a film with 3kw

Workshop with Davide Manca

City: Bologna | **Country**: Italy |

I saw a different approach to cinematography, I listened to the experiences of **Davide Manca**.
We used only LED lights and studied the importance of **environmental sustainability** even on set.
I tested the **Red Komodo** and I deepened the work of the gaer and key grip.

[05/2024 – 06/2024] **Workshop for Cinematographers**

Workshop with Gianluca Rocco Palma

City: Naples | **Country:** Italy |

I saw a different approach to cinematography, **Gianluca Palma** showed us how he illuminated his film "**Gloria**" of **Margherita Vicario**.

We used different lights and studied the **bounces and reflections** of light.

I tested the **Sony Venice** and I deepened the work of the **Camera Operator and Assistant Camera**.

[10/2023 – 04/2024] **Cinematography by David Becheri**

Diaframma Film Academy

City: Florence | **Country:** Italy |

I learned most of what I know about **filmmaking**.

I worked with **all kinds of grip and lights**.

I studied **color theory, light science** and analyzed the cinematography of many films.

I learned how to **set up a camera** and how to be on set.

I used a **RED DSMC2 Dragon 6K** and shot the short "Walking on a dream" by Federico Vianello.
